# MedMyna Healthcare

MedMyna Healthcare is a rapidly growing pharmaceutical company specializing in the import and export of FDFs (Generics/Formulations), APIs, Intermediates, and a comprehensive range of Medical Products, including Medical Supplies, Wound Care, Surgical Tools, Machinery, and more. We are dedicated to delivering high-quality products at competitive market prices, adhering to global standards such as WHO-GMP, EU-GMP, PIC/S, MHRA, USFDA, TGA, MoHAP-UAE and many more certifications.

Our export network spans major African countries like Nigeria, Kenya, Liberia, Mali, Mauritius, Uganda, Mozambique, Zimbabwe, and Ghana, both directly and through contract manufacturing. Additionally, we cater to markets in Asian countries such as the Philippines, Vietnam, Cambodia, Myanmar, Sri Lanka, Afghanistan, Syria, and Iran, as well as Latin America, the UK, the USA, and Europe.

Committed to excellence, **MedMyna Healthcare** continues to expand its global footprint while meeting diverse industry needs.
